

Mission Statements

Kindergarten

Learn, Listen, Love, Lead

First Grade

We, the students of first grade, want to be ready for 2nd grade and our future by working together each day to learn, being a good friend, making responsible choices, and being a positive leader.

Second Grade

Successful

Encouraging

Challenging

Open-Minded

Nurturing

Data-Drivened

Fourth Grade

Our mission in 4th grade is to create a classroom atmosphere of trust and respect. We will teach students to care for one another by showing them we care. We will encourage our students to be responsible citizens by having high expectations of them. To encourage life-long learning, our students will be allowed to take risks without a sense of failure but instead with an attitude that learning is fun!
