

Public Notice

There will be a Special meeting of the Madison County Board of Education on Nov. 24 at 1:00pm. This will be a virtual meeting.

At this time and given the extraordinary circumstances public agencies are confronting, an Opinion issued on March 18, 2020, issued as OAG 20-25 the Kentucky Attorney General stated that under the present state of emergency and the need to mitigate the spread of COVID-19 it is not "feasible" under KRS 61.840 to precisely identify and provide a physical location at which the public may attend and view a meeting held as a video conference under the Open Meetings Act. Instead, because of the public health necessity of imposing social distancing to help stop the spread of COVID-19, a public agency should precisely identify a website, television station, or other technological means by which the public may view a meeting conducted under the Act until the conclusion of the state of emergency.

You can view the meeting via the MCS Facebook page or Youtube link that is provided on the MCS website.
